SIR,

I beg to submit herewith for the orders of Government the accompanying memorandum and articles of association of an agricultural bank proposed to be established at Kaggala in the Tirakanambi hobli of the Gundlupet taluk. —

2. The bank consists of 12 members who hold lands in Kaggala and 4 other villages situated in close proximity to one another. The lands for the better cultivation of which, they seek to institute the bank are mostly dry, and yet they command a good value in those parts as they consist chiefly of black cotton soil. The area of the lands to be benefitted is 446 acres and 30 guntas, and their estimated value is rupees 28,635, giving an average value of

of rupees 64 per acre.

3. The members propose to start the bank with a Capital of rupees 12,000, and pray for the grant of it as loan from Government. The Amildar recommends that the loan may be granted as the lands form sufficient Security for the amount. A loan of rupees 10,000 may be sanctioned for the present.
